

## MOTHER GRAY'S POWDERS BENEFIT MANY CHILDREN

Thousands of mothers have found Mother Gray's Sweet Powders an excellent remedy for children complaining of head-aches, colds, feverishness, stomach troubles and other irregularities from which children suffer during the Spring. These are easy and pleasant to take and excellent results are accomplished by their use. Used by mothers for 25 years. Sold by druggists everywhere, 25 cents.

## WE WON

HOW WE WON OUT.

We Saw the Prize and Grabbed It.

Everybody in town knows that we are first in getting the best of everything. Last week we received a letter from Professor Munyon showing us a plan whereby he could rush his Homeopathic Remedies direct from his Laboratory into our store without losing any of their curative properties. We saw the importance of this offer and immediately sent in our order for a full line of his remedies.

We want to say that we received a letter from Professor Munyon stating that if anyone bought the remedies and they were not perfectly satisfied with results, that we were to return the money. He says, "I want you to specially push the Rheumatism Remedy in the hardest cases in town, those that doctors have failed to cure, and get them to buy a 25c bottle, and if it doesn't relieve stiff and sore joints, pain in the back, side, or in any part of the body before one bottle has been used, give the people back their money." This certainly must inspire confidence, as everybody knows that Munyon's Homeopathic Remedies are absolutely harmless and millions of bottles are sold every year.

He has also sent us a few hundred packages of his Paw-Paw Laxative Pills and wants us to give them away absolutely free. He says these Pills are the best stomach and liver regulator that the world has ever known. They don't scour, they don't gripe. They school the bowels to act naturally and take out of the system all the poisons and matter that irritate the nerves and cause biliousness, headaches and general debility. We hope all our customers will come in and get a package.

We are also going to give away a four-page sheet of music free to everybody who calls.

American Drug Co., 133 N. Main St., South Bend, Ind.

## BLOOMINGTON WOMAN THANKS MR. MAYR

Mrs. Homer Sexton Tells Friends About Use of Wonderful Treatment.

Mrs. Homer Sexton of Bloomington, Ind., suffered from digestive and stomach disorders for a long time. She tried to find relief but it seemed a long way off—until she tried Mayr's Wonderful Remedy.

The first dose gave her relief and started her on the way to health. She wrote:

"Your medicine did me a world of good. I have taken your treatment and believe it has cured me. I have told all my friends about it. I am ever so thankful."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee. If not satisfactory money will be returned.

## WHEN YOU WASH YOUR HAIR DON'T USE SOAP

Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain mulberry seed oil, for this is pure and entirely greaseless. It's very cheap, and beats soaps or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

## Kills Pesky Bed Bugs P. D. Q.

A 25c box of P. D. Q. makes a full quart of the strongest bug killer on earth.

The new chemical, P. D. Q. Pesky Devil's Delusion—puts the everlasting bed bugs, roaches, ants and fleas. Pesky bed bugs can't get it where P. D. Q. is used, as it leaves a coating to their eggs and prevents hatching.

A box of P. D. Q. goes farther than a barrel of disinfectant. P. D. Q. will not rot or stain clothing, kills fleas on dogs, sold by druggists, or mailed upon receipt of 25c by the D. C. Company, Terre Haute, Ind.

A Man's Mail Will Reach Him Where No Mailed Can.

Mrs. Ollie Blackmond and son of Omaha, Neb., are guests of her mother, Mrs. George Dougan.

## HIGH BANQUET WILL BE HELD AT OLIVER

Seniors and Juniors Arrange for Annual Affair—Date to Be Announced Later.

At a joint meeting of the senior and junior classes at the high school on Monday afternoon, it was decided that the Senior-Junior banquet would be held at the Oliver hotel this year. The date of the affair was not set, but was left in the hands of the committee of three seniors and two juniors. They will report to the two classes at a later meeting.

The banquet is an annual affair and is usually held in one of the downtown halls, where dancing can be enjoyed afterward. Last year the affair was held in the high school cafeteria, and the classes decided that it needed a change of scene, so the shift was made to the Oliver. Following the banquet dancing will be on the program in the tapistry room.

### HORSEMAN IS DEAD.

LA FAYETTE, Ind., May 11.—William H. Schorr, 65 years old, one of the best known horsemen in the state was found dead in a local hotel Monday.

The gas was turned on. Schorr lost several hundred dollars on the Kentucky derby and was greatly depressed.

## VEHICLE PARADE PLANS DISCUSSED

Transportation Pageant Will Include Carriages Used by Presidents Lincoln and Grant and Gen. Lafayette.

Interest in the transportation pageant which is to be held here on June 10 in connection with the Lincoln highway celebration, was increased at a meeting of about 100 members of the Chamber of Commerce held at the Oliver hotel Monday night.

The pageant will be one of the most thorough of its kind ever held in this part of the country, as it will show all of the important steps in the development of travel from the time when people traveled on branches of trees pulled by cattle to the present age of high powered automobiles.

Included in the parade will be the carriages used by Lincoln, Grant and Lafayette. These vehicles are now in the possession of the Studebaker corporation, which has offered the use of the interesting carriages to the committee in charge of the pageant.

One of the vehicles represented will be the first form of wagon ever used, in which large logs took the place of wheels. The war chariots used in Greece and Rome will be represented, as well as the national carriages of most of the countries of the world.

Abe Frank, chairman of the Chamber of Commerce committee, who is a personal friend of John Ringling, promised at the meeting last night that he would get the permission of Mr. Ringling to use the stage coach, chariots and other vehicles that will be in the city June 10 with the Ringling Bros. circus.

All of the vehicles that will be shown in the parade were described by Charles Arthur Carlisle at the meeting. Mr. Carlisle showed 100 stereopticon slides with his lecture, giving his hearers a good idea of the changes that have been made in transportation facilities.

An annual meeting of the committee will be held Wednesday afternoon, at which time the vehicles that will be used will be decided upon, and arrangements made for securing them.

**AUTO THIEVES ARE BUSY**  
Niles Man Reports His Machine Is Missing.

Automobile thieves continued their operations Monday night, a Ford car belonging to Carl Schmitt of Niles being taken from in front of the Orpheum while Mr. Schmitt was attending the 9 o'clock show. The car bore the Michigan license number 14202 and had oval lights on the front and sides.

The police were notified to look for a Ford car bearing the Michigan license number 55200, stolen off the streets of Kalamazoo Monday night.

### GETS RESPITE.

NEW YORK, May 11.—Gov. John M. Slater of Georgia announced at the Waldorf-Astoria Monday night that he expected to grant a brief respite for Leo Frank, who was sentenced to be hanged on June 22 for the murder of Mary Phagan.

## Isn't It Worth Looking Into?

BALL BEARING; LONG WEARING

If a manufacturer heard of a machine that would cut his cost of production 10 to 20 percent, he would investigate the proposition thoroughly. If, as an office manager, you heard of a typewriter that would reduce the cost of producing correspondence, bills and all typewritten matter an equal amount, could you afford to stay in a rut and not investigate?

Your typist can reduce the cost of production by an L. C. Smith & Bros. Typewriter. This is not merely a theoretical claim, because we have proven it by records of specific cases where every key stroke was counted and recorded mechanically for a long period of time.

One of the principal reasons for this showing is the fact that the L. C. Smith & Bros. is the only typewriter with ball bearings at all the busiest working parts—the typebar joints, the carriage and the capital shift. You will save money by investigating.
